Part X, Line 2:	<p>The Hospital is organized as a Montana nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Hospital is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Hospital is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Hospital would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.</p>

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part II, Community Building Activities:	<p>Livingston HealthCare identified the need to improve access to mental and behavioral health services in Park County, improve the community's access to transportation in and around Park County and enhance health and wellness education opportunities in Park County. To that end, in FY19 Livingston HealthCare hired a psychiatric physician assistant to provide support to the organization's on-staff psychiatrist. In addition, the hospital continues to play an integral role in the implementation of the Connect Referral Program, which is designed to seamlessly connect patients in need with applicable community resources. The hospital continues to be the largest financial sponsor of Park County's free community transit system. In FY19, LHC donated \$10,000 to the system, in addition to utilizing in-house hospital resources to update and create communication pieces associated with the transit system (branding, brochures, flyers, maps). The hospital worked closely with Park County Transit Board to increase community awareness of this free public transit system. Livingston HealthCare continued to enhance health and wellness education opportunities in Park County by mailing out a community newsletter "Living Well" to all Park County residents in FY 2019. The newsletter contains information for the community on available health and wellness programs and resources in Park County. LHC also actively informed the community of health education opportunities and health services through the local newspaper and social media. An incentive program was established for LHC employee health insurance, which is anticipated to improve health outcomes for LHC employees.</p>

Part III, Line 4:	The footnote to the Organization's financial statements can be found on page 9 of the attached audited financial statements.
Part III, Line 8:	LHC provides services to patients under the Medicare program knowing they will not recover all the costs associated with providing these services. Providing these services is essential to these patients and the community and increases their access to healthcare services. Therefore, the entire Medicare shortfall is considered a community benefit. The Organization reported only those allowable costs and Medicare reimbursements reported in the Medicare cost report for the year. Total revenue received from Medicare is the gross reimbursement plus settlement. Both total revenue received from Medicare and the Medicare allowable costs are reported from the Medicare Cost Report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare Services.

The needs that were identified, but were not addressed are: 1) more affordable healthcare, 2) more specialists, and 3) aging services. These needs are not addressed due to limited staff time and resources. They will be addressed at a future date. In addition, the hospital continued to play an integral role in the implementation of the Connect Referral Program, which is designed to seamlessly connect patients in need with applicable community resources.
