Software Version: v1.00

Explanation: I filed and received approval for an extension of time prior to the original November 15, 2019 due date. The reason an extension was needed is that I was recovering from surgery and had been unable to find a professional to help me complete our taxes. After exhausting multiple options for professional help and finally booking someone only to be cancelled due to the Covid-19 pandemic, I decided that my best option was to file our tax return myself. I received the approval of our PTA's board to move forward on my own, and I'm glad to have done so because I feel like I have learned a great deal in the process.
