Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, as confirmed by a determination letter issued by the Internal Revenue Service and is classified as other than a private foundation under IRC Section 509(a)(1). Accordingly, no provision is made in the accompanying financial statements for federal and state income taxes. Income from certain activities not directly related to the Organization's tax-exempt purpose, however, may be subject to taxation as unrelated business income. Management is not aware of any matters which would cause the Organization to lose its tax-exempt status. Management has considered its tax positions in accordance with the accounting standard for uncertainty in income tax and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years respectively, after they are filed. The Organization recognizes interest and penalties related to unrecognized tax benefits in management and general expenses in the accompanying financial statements. During the year ended June 30, 2019 the Organization did not recognize any interest and penalties.
