Return Reference	Explanation
Part I, Line 2	Needs are communicated through a proposal process. The projects are evaluated and prioritized. Development will make appeals based upon common needs across multiple entities or for a specific affiliate. Grants are ultimately awarded based upon dollars raised and the needs communicated. While operating independently and under different leadership, foreign affiliates operate under a common charter which aligns mission and operations. Additionally, ministry partner agreements outline specific accountabilities for specific grants and results are regularly communicated back to FEBC-US. The organization monitors its grants and other assistance (and re-grants) to ensure that such grants and other assistance are used for proper purposes or aren't otherwise diverted from the intended use. Regular field/site visits are required to be scheduled with designated representatives of FEBC-US. Any additional follow up is addressed on an as-needed basis. Examples would include Financial and/or Operations Audits by FEBC-US or its designated third party agent.
