Form and Line Reference	Explanation
Part V, Section B, Lines 9 and 12a:	<p>During tax year 2018, Good Samaritan Hospital (GSH), a single facility hospital, conducted a community health needs assessment in accordance with Section 501(r)(3). The CHNA report was adopted by the board of directors in July 2019. On December 23, 2019, Good Samaritan Hospital was acquired by PIH Health Inc. (PIH Health), EIN 95-3619388, at which time the GSH board of directors was dissolved and replaced by the PIH Health board of directors. Immediately upon acquisition, PIH Health began its due diligence to ensure GSH was in compliance with the requirements of Section 501(r). As of the date of acquisition, GSH became subject to PIH Health's existing Community Health Improvement Plan (CHIP), which was approved by the PIH Health board of directors in December 2019. At this time, PIH Health also began assessing whether and to what extent adjustments to its existing CHIP were necessary to fully incorporate Good Samaritan Hospital's community needs based on the most recently conducted GSH CHNA. Due to the transition arising from the acquisition, there were administrative delays which prevented Good Samaritan Hospital's newly appointed Board of Directors from being able to convene and formally adopt a written implementation strategy by the statutory deadline of January 15, 2020, as required by Treas. Reg. Section 501(r)-3(a)(2). However, Good Samaritan Hospital had a revised, written implementation strategy in place in January 2020 and was acting upon the PIH Health CHIP, which already incorporated several needs identified by the GSH CHNA. PIH Health's revised 2020-2022 CHIP, which includes PIH Health Good Samaritan Hospital, was formally approved by the Board on April 8, 2020. PIH Health's Board meets on a quarterly basis. Except for the formal adoption of the written implementation strategy by the January 15, 2020 deadline, GSH acted in a manner to meet the needs of the community served by GSH based on the 2019 Community Health Needs Assessment (CHNA). Beginning in January 2020, the PIH Health Community Benefit department incorporated the GSH service areas into the work to support the 2019 CHNA, while the GSH CHNA IP was being developed. These programs have continued through the 2020 fiscal year. PIH Health Good Samaritan Hospital has implemented new policies and procedures to minimize the likelihood of further Section 501(r)(3) compliance errors and to facilitate the prompt identification and correction of any such future failures that do occur. Changes include hiring a consultant to assist with assessment of the organization's Section 501(r) compliance, appointing new employees to oversee the community benefit process, and subjecting Good Samaritan Hospital to the policies and procedures established by PIH Health Inc., the organization's newly controlling related entity. For these reasons, Good Samaritan Hospital's error with respect to the implementation policy is not considered a failure to meet a requirement of Section 501(r) because the error</p>
