Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization follows the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic (ASC) 740-10, Income Taxes - Overall, including those related to uncertain tax positions. This guidance clarifies the criteria that an individual tax position must satisfy for some or all of the benefits of that position to be recognized in an entity's financial statements. It also prescribes a recognition threshold of more-likely-than-not, and a measurement attribute for all tax positions taken or expected to be taken on a tax return, in order for those tax positions to be recognized in the financial statements. There was no effect on the Organization's consolidated financial statements related to following these provisions, and no interest or penalties related to uncertain tax positions were accrued. The Organization is currently open to audit under the statute of limitations by the Internal Revenue Service and state taxing authorities for years ended September 30, 2016 through 2019.
