**990 Schedule A, Supplemental Information**

Return Reference	Explanation
Part VI	<p>Basis for characterizing contributions not reported as revenue: Vidant Health Foundation raises contributions on behalf of the not-for-profit hospitals in the Vidant Health system. These contributions are considered agency transactions under generally accepted accounting principles. Contributions received through agency transactions are not recorded as revenue on the books of the agent. The primary factor in determining if a transaction is considered an agency transaction is "variance power." If the donor stipulates the final recipient of the contribution, then the agent does not have variance power and would not recognize the contribution as revenue or the distribution of those funds as an expense. Agency fund transactions for the fiscal year ended September 30, 2019 are as follows: 3,476,272 Contributions received on behalf of others; 22,676 Returned grant funds; 87,645 Interest and dividends (net of fees); 82,278 Realized and unrealized gains; 46,380 Change in allowance for doubtful accounts; 3,715,251 Total increases. See next page for more detail. 10,624,335 Funding distributions; 554,792 Adjustments to discharge liabilities; 130,204 Pledge writeoffs (400,329); Change in NPV of pledge receivable 10,909,001 Total decreases (7,193,750); Change in agency funds payable; Agency funds payable 28,882,379 Beginning 21,688,629 Ending</p>

Return Reference	Explanation
Part I, Line 2	Grants provided by the University Health Systems of Eastern Carolina Foundation (D/B/A Vidant Health Foundation) require the applicant to be a 501(c)(3) or government entity and recipients are required to provide proof of their status by submitting a copy of their IRS Letter of Determination. Requests must be related to disease prevention and disease management or wellness or children services. Once the grant has been awarded, the Foundation gets a mid-term update report from the grantees of the progression status towards the achievement of the specified goals. Any revisions to the original grant specification has to be requested formally and approved by the Foundation. The mid-term report also indicates the corresponding grant funds used and at the end of the period, all unused funds are returned to the Foundation.
Part IV	Basis for characterizing contributions not reported as revenue. Vidant Health Foundation raises contributions on behalf of the not-for-profit hospitals in the Vidant Health system. These contributions are considered agency transactions under generally accepted accounting principles. Contributions received through agency transactions are not recorded as revenue on the books of the agent. The primary factor in determining if a transaction is considered an agency transaction is "variance power." If the donor stipulates the final recipient of the contribution, then the agent does not have variance power and would not recognize the contribution as revenue or the distribution of those funds as an expense. See next page for more detail. Agency fund transactions for the fiscal year ended September 30, 2019 are as follows: 3,476,272 Contributions received on behalf of others 22,676 Returned grant funds 87,645 Interest and dividends (net of fees) 82,278 Realized and unrealized gains 46,380 Change in allowance for doubtful accounts 3,715,251 Total increases 10,624,335 Funding distributions 130,204 Pledge writeoffs (400,329) Change in NPV of pledge receivable 554,792 Adjustment to discharge liabilities 10,909,001 Total decreases (7,193,750) Change in agency funds payable Agency funds payable 28,882,379 Beginning 21,688,629 Ending

FORM 990, PART III, LINE 4A	<p>University Health Systems of Eastern Carolina Foundation, Inc (DBA Vidant Health Foundation) is committed to improving the health and well-being of the people and communities of Eastern North Carolina. The mission is to support the Vidant Health mission to inspire generosity through philanthropy in support of Vidant Health and eastern North Carolina. The Foundation is a North Carolina non-profit corporation with headquarters in Greenville, North Carolina. Vidant Health and its affiliates operate an integrated health care delivery system that serves a total market of approximately 1.4 million people in 29 contiguous counties in Eastern North Carolina. The Vidant Health Foundation has a governing board comprised of 25 voting members as of 9/30/19. The Nominating Committee recommends appointments to the Board of Trustees. The Board Members have diverse backgrounds and are selected to represent the citizens of Eastern North Carolina. Board meetings are held quarterly. The Vidant Medical Center and the Vidant Medical Center Board annually support the Community Benefit Initiatives Program of the Foundation. These funds are awarded to community agencies that successfully demonstrate both need and a well-designed plan to address one of the priority categories. 1. These grants support health initiatives through local community organizations. Generally, two to three focus areas have been selected for each program from the following list including: access to care, chronic disease prevention and management, nutrition and physical activity, diabetes prevention and management, and maternal and child health. The grants program's health priorities are determined by information obtained from the Community Health Needs Assessment (CHNA). Each Vidant Health Hospital collaborates with their local health department to conduct the CHNA. Volunteers from their local Healthy Carolinians partnership or other health collaborative assist in the process of gathering information for the CHNA. 2. The populations served are largely the poor, the under-served, and minorities. Determination of specific populations to address occurs when partners such as the North Carolina Department of Health and Human Services, local health departments, county Healthy Carolinian task forces, or physicians identify a quantifiable need, and community partners are engaged to work together with the health system. Other Program Services. Other programs resulted in distribution of approximately \$3.5 million from designated gifts and contributions for children's services, hospice services, scholarships, and other designated programs. The sources of these funds include contributions from donors across Eastern North Carolina, investment earnings from endowed funds and the Annual Children's Miracle Network Program.</p>
