Part I, Line 1a Relevant information in regards to selections on 1a	Tax Indemnification and Gross Up Payments The Lifespan Executive Long-Term Disability program provides financial protection to designated Lifespan executives in the event that they become disabled. Premiums are paid to the insurance carrier by the insureds on an after-tax basis to allow for income replacement at a reasonable cost. The income associated with the premiums is grossed up to cover the total cost of the benefit as provided in the Lifespan Executive Benefit Plan and is included in Medicare wages, more specifically on Schedule J, Part II, Column B (iii) Social Club Dues The job responsibilities of certain executives include development of relationships with business leaders and donors. Those relationships are facilitated by the ability to meet in private sessions during which focused business discussions take place. The University Club, which requires an individual membership, is a place in Providence, Rhode Island where businessmen and women, civic, community, and social leaders can gather in a businesslike atmosphere. The cost of membership is considered by Lifespan to be reasonable and necessary and thus a qualified business expense not taxable to the employee. IRS regulations regarding documentation requirements are followed for any payments made for meetings held at the respective club, including the business purpose and nature of the business benefit derived, the nature of the business discussion or activity, and the identity and business relationship of attendees.

Part I, Line 7 Non-Fixed payments not listed above	The Lifespan Annual Incentive Compensation Plan provides a financial award opportunity for designated members of management, based on quantified objectives that are approved in advance by the Compensation Committee of the Lifespan Corporation Board of Directors. A specified level of financial and non-financial performance must be met before any award is earned. The objectives vary from year to year and generally include various aspects of financial measures in addition to non-financial performance measures. For certain participants in the Annual Incentive Compensation Plan, the award opportunity is divided into two pools. The first pool represents 70% of any earned incentive award, based on the achievement of the team performance objectives. The remaining 30% pool is distributed on an individual basis to participants at the discretion of the President & CEO, in each case subject to approval by the Compensation Committee of the Lifespan Corporation Board of Directors. Additionally, certain physicians and executives participate in incentive compensation plans arranged through individual contractual agreements which stipulate non-fixed payments based on meeting criteria comprised of various quality and productivity markers.
