Name: Twin Cities Rise

Form 990 (2018)

Form 990, Part III, Line 4a:

Twin Cities RISE (TCR) offers a comprehensive, work skills training program that provides long-term job training and placement designed for those facing the most barriers to long-term self-sufficiency. These key elements set us apart and create positive results for participants: a) Personal Empowerment training that focuses on emotional intelligence and personal development, b) Workskills Coaches who work one-on-one with participants, serving as trusted advisors, supporting progress and identifying support needs, c) Market-driven focus that develops strong relationships with employers to ensure participants have the skills needed to succeed on the job, and d) Strong outcomes such as long-term job retention, significant income increases, lower recidivism, and more. TCR opened to participants in Minneapolis in 1994 and expanded to St Paul in 2001. We serve more than 1,500 individuals across all programming, including our core workforce development training, Empowerment Institute capacity building training, and partnerships. Twin Cities RISE works with those who have the most barriers to employment, transforming their lives through career development, Personal Empowerment, and training that leads to meaningful employment. Training graduates gained employment that paid on average \$31,024 per year. Long-term retention rates are strong, at 59% after 12 months and 44% after 24 months.

Form 990, Part III, Line 4b:

TCR provides personal empowerment curriculum to partner Organizations through train-the-trainer certification and direct training. We work with local and national Organizations that are interested in personal empowerment and its potential to improve outcomes for their own clientele. Train-the-trainer certification is a lengthy process that takes 6 to 9 months to complete, including classroom training, facilitator training, and supported facilitation. TCR's signature Personal Empowerment curriculum focuses on emotional intelligence and personal development. It recognizes that in addition to job skills, participants need to believe in their own self-worth, manage emotions, be proactive problem-solvers, and embrace personal responsibility for long-term success.

Form 990, Part III, Line 4c:

Innovative Partnerships TCR has also developed innovative partnerships to build community capacity to better serve low-income adults through diverse programming and additional opportunities. This model allows TCR to do what it does best—Personal Empowerment and Coaching—while employers provide the necessary hard skills they need to fill employment gaps in their company. One example is our partnership with Metro Transit. With this partnership, participants are provided with college and career readiness training, support toward earning a degree from Hennepin Technical College, an internship with Metro Transit, as well as TCR's Personal Empowerment curriculum and coaching. Successful completion of the 2-year program results in a bus mechanic job at Metro Transit that starts at \$50,000 per year. Reentry Connect TCR provides re-entry services to individuals formerly incarcerated. Services include comprehensive, integrated case management that starts pre-release, Personal Empowerment training, career planning coaching, educational/training referrals, and support services. Guest Operations (GO) Service Training Go Service is a credentialed, sector-training program focused on hospitality and a wide-range of customer service-related jobs, offered through a partnership with Dakota County Technical College and area hotels. In FY 2018, we offered multiple training cohorts resulting in permanent, entry-level positions in customer service and hospitality fields.
