Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Hospital, Foundation and Health Foundation are exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state statutes relating to not-for-profit organizations. In addition, the Foundation and the Health Foundation have been classified as organizations other than a private foundation meaning of Section 509(a) of the Internal Revenue Code. Pleasant Valley Home Medical Equipment, Inc., the wholly-owned subsidiary corporation, is not exempt from Federal and state income taxes. Income tax expense, when incurred, is based upon reported income, with deferred income taxes provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. Temporary differences result primarily from using accelerated depreciation methods and from reporting bad debts when incurred for tax purposes. Accounting principles generally accepted in the United States of America require the management of the Company to evaluate tax positions taken by the Company. Management has evaluated the Company's tax positions and concluded that the Company has maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Company is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The management of the Company believes it is no longer subject to income tax examinations for years prior to the fiscal year ended September 30, 2016.

Part VI, Line 3	The process in place offers the uninsured and underinsured patient the ability to apply for charity care through a formal application process established by reviewing both income and expense to make a final determination of eligibility. It requires proper verification of income through a pay stub, tax return, etc. It is also verified that the patient is not eligible for a state assisted program via a denial letter from the program or verification through the state caseworker. The patient will either be contacted by the Business Office or will contact the Business Office during the collection and statement process to discuss financial arrangements regarding their patient account.
