Pt III, Line 31	<p>The purpose of this noncommercial activity was to be a force for good in the French Christian community by contributing new praise music to be sung in churches, and sung by individuals for their personal worship. This music incorporates African elements, making it appealing to African Christians, both in France and the many countries in French-speaking Europe and Africa. Due to the small number of French Christians in France, the average first pressing of a Christian CD is 700 copies, as there is little commercial potential, leaving these Christians underserved by commercial Christian music. Heavenworks' original music helps to fill that gap. Additionally, Heavenworks personnel made a three week ministry trip to France, Belgium and Switzerland in October and November 2019, covering 2,000 miles to lead meetings in French churches and to hold evangelistic meetings in various cities. Heavenworks' new music is a BIG hit with the believers there, and is already being pirated in French-speaking countries (former French colonies) in Africa!</p>
