Form 990 (2019)

Form 990, Part III, Line 4a:

Marguerite d'Youville, Mother of Universal Charity, began a rich tradition of caring for the most vulnerable. The Grey Nuns have continued this tradition by focusing on programs serving the poor and underserved. In the spirit of Marguerite d'Youville and the Grey Nuns, the community of Mary Immaculate continues to serve those most vulnerable through its sponsorship of a wide variety of "Good Neighbor" Activities. These activities are organized and facilitated by our mission department. Mary Immaculate Health Care Services (MIHCS) follows the methodology that is recommended by the Catholic Health Association for calculating the cost of support for the broader community. In the methodology, the cost of providing services is reduced by payments received for those services, which results in a net cost. It is this net cost that MIHCS reports as its community benefit. It includes the net cost of programs directed to the poor and unpaid costs of the medicaid program. MI Transportation, Inc. follows this methodology when tracking and reporting its own program-cost figures.

Part X, Line 2:	<p>Covenant and its member organizations are considered not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code and are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code, except as noted below. Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. The System has evaluated the position taken on its filed tax returns. The System has concluded no uncertain income tax positions exist at December 31, 2019.</p>
