Part III response or note to any other line in Part III	Part I and Part III - MissionWe promote education concerning the needs of poor working families. We are the new majority: People of color, immigrants, women and the working class, on a path to liberation. Our statewide membership is organizing to put people and planet before profit. We counter the fear that causes injustice by building power to transform the institutions that govern our lives. In an era of income inequality, environmental degradation and racism, our chapters are building power to confront this triple crisis in Massachusetts. We fill the ballot box with our votes. We fill the streets with our voices. We see the new alternatives that put power and decision-making in the hands of those directly affected.
