Save the Girl: This program helps families who are not financially able to send their daughters to school. To be born a girl in India means facing a lifetime of deprivation and hardship. Girls are second-class citizens and the curse of being a girl affects every aspect of life. Care India believes that if a girl is given the opportunity to complete her education, she will be able to break the chains of poverty for herself and generations to come. However, many Indian parents do not understand the importance of educating girls, or they simply cannot afford the costs associated with educating a girl. The program removes the economic burden placed on families so they are able to keep their girls in school for as long as possible. The program supports over 3,000 girls in India.

(Code:) (Expenses $ 11,472 including grants of $ 11,472) (Revenue $)
