Form 990, Part III, Line 4a:

Our vision is for the foundation to establish a home serving brain injured adults and their families. The immediate vision is to provide a safe and comfortable environment for families to leave their brain injured loved ones for hours or days at a time, being assured they will be properly cared for. Such a home would allow families an opportunity to get some well deserved rest and relaxation from the daily routine of personally caring for their loved one. Our long term vision is to establish permanent residential facilities wherein brain injured adults could live together, independently, releasing their families from the day to day chore of caring for their loved one.
