SCHEDULE A, PART IV, SECTION A, LINE 2	Before making a grant to an organization, the taxpayer will request a copy of the organizations most recent IRS determination letter to determine whether the organization is recogn ized by the IRS as an organization described in section 509(a)(1) or (2) of the Code. The taxpayer will also review the organizations status as listed on GuideStar Charity Check to confirm the organizations classification as an organization described in section 509(a)(1) or (2) of the Code prior to making a grant. The taxpayer generally does not provide gran ts to organizations that are not described in section 509(a)(1) or (2) of the Code. Howeve r, there are limited situations where the taxpayer has made grants to organizations that a re recognized by the IRS as organizations described in section 509(a)(3). Most often this involves situations when there is not a viable section 509(a)(1) or 509(a)(2) organization available to efficiently distribute funds or to operate programs in particular healthcare fields. Thus, in order to support and promote healthcare for individuals and communities needing assistance in such healthcare fields, the taxpayer will make grants to section 509(a)(3) organizations that can provide assistance if there is not a viable section 509(a)(1) or 509(a)(2) organization that serves this need. The purpose and activities of the section 509(a)(3) organizations that receive grants from the taxpayer must satisfy the requirem ent in the taxpayers Restated Articles of Incorporation described above, namely that each

such organizations purpose and activities are closely related in purpose or function to th e governments listed in the response to Item 1 above in terms of the delivery and the supp

ort and promotion of healthcare. The taxpayer made in 2019 a total of 138 grants of approx

imately \$4.4 million to 77 public charities and governmental entities recognized by the IR

S as organizations described in section 509(a)(3) in accordance with the above criteria.

SCHEDULE A, PART IV, SECTION A, LINES 5A & 5C	As indicated in Item 1 above, the taxpayer supports two groups of supported organizations. The supported organizations included in the first group are the Controlling Governments. No supported organization listed in this first group has been added, removed, or substitut ed since the taxpayer received the Determination Letter. The second group is defined broad ly in the taxpayers Restated Articles of Incorporation that its practical effect is to inc lude all public charities with a healthcare focus that operate in the Service Area. The na ture of the taxpayers activities is such that it may vary the amount of support it provide s to a particular supported organization in this second group from year to year. For examp le, in some years a supported organization may receive a grant that is intended to provide support for more than a year. Thus, the organization may not receive another grant from t he taxpayer for one or more years following the year that the multi-year grant was made. H owever, it does not mean that the organization has been removed or substituted as a support do organization by the taxpayer. In the event a supported organization is added, substituted, or removed by the taxpayer, there may be a number of reasons why this occurs. The rea sons include a shift in the healthcare needs of individuals living in the area served by t

or other similar reasons, with some of the reasons out of the control of the taxpayer.

SCHEDULE A, PART IV, SECTION B, LINE 1	As described in more detail in its request for which the IRS issued the Determination Lett er, the taxpayer is operated, supervised, or controlled by one or more organizations descr libed in sections 509(a)(1) or 509(a)(2) of the Code, as such term is used in section 509(a) (3)(8)(i) of the Code. Specifically, the taxpayer is operated, supervised, or controlled by the Controlling Governments, each of which is a unit of government described in section s 170(b)(1)(A)(v) and 509(a)(1) of the Code. The remainder of the discussion describes the relationship between the taxpayer and the Controlling Governments. The taxpayers Board of Directors has 17 members. The 17 members of the taxpayers Board of Directors are selected through a process that has three steps. These steps are as follows. 1. The Controlling Governments designate all of the voting members of a nominating committee called the Community Advisory Committee. Additional information about the Community Advisory Committee is set forth below. 2. The Community Advisory Committee nominates a slate of qualified candidates for open positions on the taxpayers Board of Directors. The Community Advisory Committee may, if it so desires, nominate its own members for the open positions on the Board of Directors. 3. The Board of Directors from among the nominees chosen by the Community Advisory Committee. No one else may be elected. The Community Advisory Committee consists of 13 appointed members plus one ex officio, non-voting member. The 13 appointed members are appointed directly by the Controlling Governments. Specifically, one, the State of Kansas appoints directly by the Controlling Governments. Specifically, one, the State of Kansas appoints six members of the Community Advisory Committee; three, Unified Government of Wyandotte County, Kansas appoints two members of the Community Advisory Committee; under the community Advisory Committee; and, four, Allen County, Kansas appoints one member of the Community Advisory Committee; and four, the individual who at that

SCHEDULE A, PART IV, SECTION B, LINE 2	As discussed in Part IV, Section A, Item 1, the taxpayer supports two groups of section 50 9(a)(1) and 509(a)(2) organizations described as follows: - One group is the units of gove rnment that operate, supervise, or control the taxpayer for purposes of section 509(a)(3)(B)(i) of the Code (i.e., the Controlling Governments) The other group consists of all p ublic charities that are closely related in purpose or function to these governments in te rms of the delivery and the support and promotion of healthcare and healthcare access and quality as outlined in the taxpayers Articles of Incorporation. This group includes essent ially all public charities with a healthcare focus that operate in the Service Area. The t axpayer makes grants to the supported organizations described in the second group that are to be used to help such supported organizations accomplish their charitable purposes. The activities of the supported organizations in this group are closely related in purpose or function to these governments, i.e., the delivery and the support and promotion of health care of the residences living in the region that the government units are located.
