General explanation attachment	<p>FORM 990, PART III, LINE 4A - PROGRAM SERVICE ACCOMPLISHMENT Ongoing collaboration with facilities such as Harborview, UW, Virginia Mason, Swedish Providence, and other prominent facilities has strengthened our community outreach. Continued increase in volunteer opportunities has resulted in community collaborations and partnering with local businesses to provide a larger circle of care and more comprehensive involvement from the community through donations of time and services. Pushing Boundaries client programs offers internships each year and in 2019 we estimate 500-1000 hours were provided to students in exercise science and nonprofit management programs from several prominent Seattle schools and universities. However, our greatest successes are the accomplishments of our clients. With over two million dollars in community donations from thousands of individuals and foundations, client achievements have included the ability to return to work, resume driving, regaining arm strength to hug their children, increasing stamina to perform daily tasks or gaining enough strength to become more independent during the day. The continued opportunity that Pushing Boundaries provides to our clientele is self-evident in the personal strides that each person continues to make in their road to increased health and improved quality of life.</p>
