Facts And Circumstances Test

The organization maintains a continuous program of solicitation of funds from the general public by investing in email campaigns and social media presence, whenever an opportunity arises, we present our projects and encourage giving However, most of our audience has a very poor background due to the international nature of most of our conferences and events in developing countries and the absolute focus of our activities on programs that further the exempt purpose of the organization rather than on fundraising The organization has a governing body which seeks to provide Biblical teaching for as many peoples as possible, free of charge as well as humanitarian help There is no membership fee However, practical steps are being taken to improve fundraising on a broader base, this was discussed during the last board meeting New board members have taken on the challenge of creating new methods for fundraising from various sources Several churches and one foundation have started to support our ministry
