Microchurch planting: Our main service as an organization is to help initiate and grow microchurches reaching different groups of people in the city. In 2019, we maintained about 200 microchurches. Some of our microchurches are need-based and are engaging people in the margins. They form community around a shared calling of meeting a certain need or addressing a certain dispersed group of people. They raise their own support from outside of the Underground to pay their staff and accomplish their vision.

Form 990, Part III, Line 4b:

Ministry Center (Hub): This program expense provides multi-use meeting rooms, offices, and an auditorium in a separate space. This auditorium is used at our weekly worship gatherings and available to microchurches to use at other times. The Hub provides office spaces for support and microchurch staff and volunteers, and conference rooms for training and meetings. The services we provide to microchurches to support their ministries are mainly located here.

Form 990, Part III, Line 4c:

Training Program: We seek to help and resource new and current leaders to do the ministry that they're called to do. We offer different training and services that include a weekly gathering, summer institute, special events and conferences. In the 2019 tax year, we offered 15 seminars and classes, and nearly 400 missional leaders in Tampa were inspired and empowered through our training and conferences. We also maintain a site called callinglab.com along with another platform where we able to offer different courses. These events serve as a time of envisioning new initiatives that could be started to reach different places in our city and around the world.
