## IRVING S. GILMORE FOUNDATION

EIN: 23-7236057 Form 990-PF Year ended December 31, 2019

### Part VIII, line 1 - Information about Officers and Directors

Each of the Directors devotes an average of one to five hours or more per week to his/her position with the Foundation. The Directors provided the following services to the Foundation:

The Directors met at the Foundation's office thirteen times during the year (no meeting in August and two special meetings). Board meetings are generally on the third Tuesday of the month and last for four to five hours. Meetings held in the odd months (January, March, etc.) included the review of all grant requests. The week prior to each meeting, the Foundation's staff delivers to each Director extensive reports for review prior to the meetings. These reports include, at a minimum:

- a) Monthly reports on Foundation assets managed by outside money managers;
- b) Sources and uses of cash;
- c) Status of grants (amounts approved, paid and payable);
- d) Funds available for distribution;
- e) Status of qualifying distributions;
- f) Minutes of prior meeting, committee meetings; and
- g) Detailed staff-prepared analyses of funding proposals for grant meetings.

It is necessary for each Director to devote several hours (two to eight hours each month depending on the month's agenda) monthly to the review of these materials in order to exercise judgment on matters to be considered by the Directors at their meetings.

Each meeting also includes a period of time for the Executive Committee to meet and discuss various topics. The Executive Committee is made up of the Directors and no staff is present during this portion of the meetings.

There is also an annual meeting held on the third Tuesday in October, immediately preceding the regular board meeting. The purpose of the annual meeting is to elect Directors and Officers for the ensuing year and to transact any other business brought before the meeting.

Strategic programming board meetings are held at least once a year for the purpose of discussing and developing the Foundation's strategic approach to grantmaking and ensuring that activities and short-term objectives promote and are consistent with long-term goals and the mission of the Foundation. There were two such meetings held in 2019. The strategic programming meetings require approximately one hour of preparation each.

In addition to the meetings described above, Directors are members of various committees as follows:

- Management committee: meetings were held to discuss and review operational, management and grant making issues. This committee's role is to provide the Board of Directors with the opportunity to connect with community leaders who share information regarding needs and opportunities in the community. There were eleven management committee meetings in 2019 including grantee events.
- 2. Investment committee: responsible for recommending to the Directors investment policies and strategies and the selection of investment managers and/or advisors, and other fiduciaries with respect to financial assets. This committee also monitors the performance of the custodians, managers, advisors and other fiduciaries with respect to these assets. This committee is made up of at least two Directors, certain senior staff of the Foundation and at least two committee members who are "outside" non-Board members. There were six investment committee meetings in 2019.
- 3. Audit committee: assists the Directors in fulfilling its overall responsibilities with respect to (a) the audit of the Foundation's books and records, and (b) the system of internal controls that the Foundation has established. The audit committee also reviews the Form 990-PF prepared by the outside accountants. This committee is made up of at least two Directors plus at least one committee member who is a "financial expert" (non-Board member). This committee meets two times each year.
- 4. Program committee: responsible for addressing programmatic concerns, such as grantmaking and community involvement. This committee is made up of at least two Directors, certain senior staff of the Foundation and three "outside" non-Board members. This committee met four times in 2019.

Certain Directors attended educational conferences, seminars and like activities, such as the Council of Michigan Foundations Annual Conference and the Foundations on the Hill Conference, in order to stay abreast of developments in the nonprofit, foundation and investment areas. The Directors frequently attended events, functions and other activities related to the Foundation's grant making activities in order to evaluate the grantee's program and offerings.

The Directors were compensated on a per diem basis, applicable to official Board (administrative, grant making and strategic programming) and committee (management, investment, audit, and program) meetings, subject to an overall annual cap in fees of \$30,000 plus reimbursement for reasonable expenses. The Directors were not compensated for attendance at conferences, site visits, etc. Non-board committee members are also compensated on a per diem basis of \$500 per meeting attended.

Each board member annually discloses their affiliations with other organizations (both for-profit and not-for-profit). These affiliation listings are reviewed at each board meeting and board members abstain from voting on any matter where a conflict of interest may exist.
