Supplemental Information

Return Reference	Explanation
Part X, Line 2:	Bridge2Rwanda is a nonprofit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the consolidated financial statements do not reflect a provision for federal income taxes related to Bridge2Rwanda. B2R Services is organized as a for-profit corporation and is subject to income taxes in the Republic of Rwanda . B2R Services recognizes deferred tax assets and liabilities based on the differences between financial and income tax reporting basis of assets and liabilities based on enacted tax rates and laws. A valuation allowance is provided if it is more than likely than not that at some or all of the deferred tax assets will not be realized. The current income tax provision estimates the tax due on the income tax returns for the year reported. Accounting standards require the Organization to evaluate tax positions and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Organization has analyzed the tax positions taken and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the consolidated financial statements. The Organization may be subject to audit by the IRS; however there are currently no audits for any tax periods in progress.
