990EZ Part 1 Line 1 - Prior to March 2019 the organization was dormant. In March 2019 we were given the opportunity to use a space to develop a comprehensive therapy and learning center. The owner of the building offered the space, which had been vacant for some time, for the organization to establish and grow the program. We included the cost of the space on this line. The program was established and is now growing with students for the upcoming school year which due to COVID 19 will begin virtually. A few students will remain with the organization after physical schools reopen due to their learner level and their parents desire for them to receive as much educational assistance in a private organization than a public school.

990EZ Part I Line 16 - this amount represents some repairs paid for by the organization prior to beginning the program.

990EZ Part V Line 34 - Our primary goal with the organization is to provide an educational alternative to students with ASD using evidence-based therapeutic services, Applied Behavior Analysis (ABA) therapy. With the current response of local schools during the COVID 19 our students have been able to attend the therapeutic center and through ABA therapy have been able to progress. Therefore the organization is applying to become a private school to assist these students who would otherwise not be able to progress educationally.

990EZ Part 1 Line 20 - On this line we show the cost of the space during the several months the owner provided the organization to use prior to paying rent.

Part VI - Line 46 The organization has been operating as a therapy, learning center to aid in the progress of the student/patients who attend the programs. In 2020 we are establishing our status as a private learning institution (private school) to continue assisting our students to progress educationally.
