Summary of Charitable Activities

The Foundation does not engage in direct charitable activities.

Historically the Foundation has only used its resources to make grants to public charities to assist those charities in the fulfillment of their exempt purposes.

In addition to the foregoing, in 2014 The Foundation determined that the need exists in the Caldwell New Jersey area for high quality pediatric occupational therapy, speech therapy and physical therapy inclusive of constraint-induced movement therapy and bimanual therapy for children with upper extremity hemiplegia due to cerebral palsy, pediatric stroke, and/or traumatic brain injury. To this end the Foundation in 2014 acquired a building which it renovated into a state of the art facility which will be suitable for the provision of therapies of the type above noted. In addition the Foundation entered into a lease with Intensive Therapeutics - a nonprofit (public charity) provided of these services to provide therapies of the type above noted.
