Form 990, Part III, line 41: other major program expense including coordination of sales of global goods created by members of locations where goods are an alternative livelihood to income options that pose long term social and/or ecological risk. We were participants in this event with 4 other organizations, and served as coordinator, and fiscal agent, for the event (\$4271 expenses)

Part III, Line 11: the Form 990 was distributed to all members of the U.S. members of the board for approval.

Part III, Line 12: the conflict of interest policy pertains primarily to the Samburu-based board members, since they may have connections to nominated students for scholarships. Nominations must come from a committee of teachers from each student's school. Nominations are then reviewed by the Samburu-based board for selection. If any member has a relationship -- relative, neighbor, etc -- with a nominee, they are not permitted to participate in the discussion about the student's merit. This is enforced by our staff members and Board chair.

Part III, Line 15: compensation is determined based on a discussion between U.S.-based co-founder and the Samburu-based Board chair. Salary base levels are established based on comparative work in the region (e.g., teacher) and annual increases are based on inflation plus merit, as needed to retain employees.

Part III, Line 19: the Form 990 and related Schedules (other than Schedule B - list of donors) are made available via our website.
