Sch I, Part I, Line 2, Procedures for monitoring grant funds:	Grants are paid on a reimbursement basis. Grant recipients submit detailed expenditure and programmatic reports either quarterly or monthly, depending upon the amount of funds. After the reports and supporting documentation of expenditures are reviewed by the provider relations specialist and the quality assurance administrator, a request for payment is then submitted to accounting for payment and approval. All approved grant funds must be used during the grant year. At mid-year, all grants are assessed for progress toward meeting their goals and expected annual expenditures. Follow-up is done with individual agencies as necessary. Grant recipients requesting greater than \$10,000 are required to submit, with their grant application, their annual independent audit. Grants receiving greater than \$10,000 are also required to submit their subsequent independent audit for review for the granting period.
