Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Return Reference	Explanation
SCHEDULE I, PART I, LINE 2	In order to be considered for a grant, an applicant must be a 501(c)(3) or other organization qualified to receive gift/grants or must have a fiscal sponsor; current tax-exempt status is verified using the Guidestar charity check service. For competitive and strategic grant cycles, organizations submit proposals addressing issues, concerns or opportunities in the Evanston Community. All proposals are reviewed by a committee specific to the grant cycle comprising of ECF board members and other community representatives. Before grant monies are distributed, grantees outline the intended impact, strategies to be used, and indicators for measuring progress of the grant. This plan is incorporated into a grant agreement signed by the grantee. Grants are usually paid in two installments. The first installment is issued upon the foundation's receipt of the signed grant agreement; the second/final grant installment is released after the foundation has received an interim report from the grantee and has determined the project funded by the grant is progressing in a manner consistent with the grant agreement. Foundation staff work with grantees who are experiencing challenges in achieving their planned outcomes. As a condition of receiving the first installment, grantees agree to contact the foundation if circumstances encountered in implementing the grant project will affect their ability to use the grant funds and/or execute the grant project as stipulated in the grant agreement. Donor advised fund grants - grants from a donor advised fund may be approved and issued if the foundation determines that all seven of the following requirements have been met: (1) Grant does not require the exercise of expenditure authority; recommended grantees must be 501(c)(3) organizations, described in section 170(b)(1)(a), and not be classified as supporting organizations under the internal revenue service code section 509(a)(3). The foundation does not make distributions to any type of supporting organization. (2) Grant is consistent with the purpose, mission, principles and policies of the Evanston community foundation, including the foundation's equal opportunity policy. (3) No distributions may be made to an individual, including expense reimbursement to the fund donor(s), advisor(s) or related parties. No grants, loans, compensation or similar payments may be made to the fund donor(s), advisor(s) or related parties. (4) Grant recommendation does not include any reference to a charitable pledge or other personal financial obligation of the fund donor(s), advisor(s) or related parties. (5) Neither the Evanston community foundation, nor the fund donor(s), advisor(s) or related parties, will receive any tangible benefit, goods or services in exchange for the recommended grant (s). (6) If fund donor(s) or advisor(s) recommend grants to schools and/or organizations for various scholarship programs, donor(s) and any other advisor(s) may not participate in selecting the individual recipients, donor(s) or advisor(s) may not earmark grants for certain individuals, nor may they benefit from grants issued. (7) Grant recommendation is submitted in writing, either by email, letter or via the grant request process available on the foundations donor portal. To determine organization status under the internal revenue code, the Evanston community foundation subscribes to the Guidestar charity check service.
