Form 990, Part III, Line 4a:

Shipping Medical Supplies and Equipment: Global Health Ministries (GHM) gathers donated medical supplies and equipment from gloves to ultrasounds, and matches them to requests from partners in Lower Income Countries. Some items rarely received through donations are sourced and purchased new to be shipped in response to partners' specific needs.

Form 990, Part III, Line 4b:

Community Based Sustainable Development/Capacity Building: GHM supports grassroots efforts to train and sustain Community Health Workers (CHW) who share information about disease prevention and basic first aid. CHWs often share life-changing knowledge and habits including the importance of treated bednets and how to prevent, identify and treat malaria. They also promote the importance of clean water, nutrition, and prenatal care, and contribute to maternal and child health by providing resources and information and referring women for clinical care when needed. GHM also helps partners build capacity for improving health with clean water initiatives, facility renovation and expansion and other strategic projects.

Form 990, Part III, Line 4c:

Leadership Training: Through GHM's consulting program Global Health Administration Partners (GHAP), teams of health administrative professionals and clinical care experts provide information, resources and mentoring to international health system colleagues, partnering to craft strategies that boost effectiveness and sustainability. GHM also makes training possible for hundreds of nurses, midwives, doctors and medical laboratory technicians in Lower Income Countries, helping address the shortage of trained health workers that compromises health and jeopardizes lives, especially in rural areas.
