| Grantmaker's Description of How Grants are Used | CME Grants support applications are submitted via an online portal for each company, and if the society's meeting content, gap analysis and learning objectives align with the educational goals and objectives of the company, grant support of all or a portion of the requested amount may be accepted. There is little or no opportunity to monitor the status of these applications per strict company policies. Annual grant applications to the NIH are carefully controlled by the primary and secondary NIH agencies that are assigned to the requesting organization/program. |
