Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Foundation's federal excise tax returns have not been examined by the tax authorities for the last three years, which remain as the years that are generally still subject to examination. Management realizes that there may be differences of opinion relating to interpretations taken by taxing authorities and that certain tax jurisdictions may require filings which have not been made. However, there have not been any material claims made by any taxing authorities that have not been appropriately defended or provided for in the financial statements, nor is management aware of any specific uncertain tax positions that currently exist.
