Supplemental Information

Return Reference	Explanation
Part X, Line 2:	The Organization, an Illinois nonprofit corporation, is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law, except for taxes pertaining to unrelated business income, if any. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income. There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in these financial statements. The Organization files Forms 990 in the U.S. federal jurisdiction and related reports in the State of Illinois.
