Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	THE COSTING METHODOLOGY USED TO DETERMINE THE MEDICARE ALLOWABLE COST WAS BASED ON THE MEDICARE PRINCIPLES USED IN COMPLETING THE MEDICARE COST REPORT. ALL COST REPORTED CAME FROM THE MEDICARE COST REPORT. SSM HEALTH ACCEPTS ALL MEDICARE PATIENTS WITH THE KNOWLEDGE THAT THERE MAY BE SHORTFALLS AND OPERATES TO PROMOTE THE HEALTH OF THE COMMUNITY. SSM HEALTH BELIEVES THAT ANY MEDICARE SHORTFALL SHOULD BE TREATED AS A COMMUNITY BENEFIT BECAUSE MEDICARE DOES NOT FULLY COMPENSATE HOSPITALS FOR THE COST OF PROVIDING HOSPITAL CARE TO MEDICARE BENEFICIARIES, AS MEDICARE ALLOWED COST IS LESS THAN ACTUAL COST.
Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	SSM Health St. Mary's Hospital - Centralia has established a written credit and collection policy and procedures. The billing and collection policies and practices reflect the mission and values of SSM Health, including our special concern for people who are poor and vulnerable, The Health Center embraces its responsibility to serve the communities in which it participates by establishing sound business practices. The Health Center's billing and collection practices will be fairly and consistently applied. All staff and vendors are expected to treat all patients consistently and fairly regardless of their ability to pay. They respond to patients in a prompt and courteous manner regarding any questions about their bills and provide notification of the availability of financial assistance. All uninsured patients will be provided a standard discount for medically necessary inpatient and outpatient services, including services provided at off-campus outpatient sites. The hospital determined the amount of the discount based on the local managed care market, applicable statutory requirements and other relevant local circumstances. The rate must be no less than the lowest effective discount rate and no greater than the highest effective discount rate for the current managed care contracts of the hospital. Uninsured patients may also qualify for an additional discount based upon financial need under the system financial assistance policy. All accounts due from the patient will receive a statement after discharge or after final adjudication from patient's insurance. Generally the patient will receive 4 months (120 days) of in-house collection efforts (including early out vendors) and 12 months of bad debt collection efforts. The hospital will make Reasonable Efforts to determine FAP eligibility including: 1. The financial assistance summary will be included with each billing statement 2. Extraordinary Collection Activity (ECAs) may not occur until bad debt placement and only after 120 days. 3. ECAs must be suspended if a guarantor submits a FAP application during the application period. 4. Reasonable measures must be taken to reverse ECAs if the application is approved which may include refunding any payments made in excess of amounts owed as an FAP-eligible individual. 5. Bad Debt vendors will gain written approval from SSM prior to engaging in ECAs. SSM will review the accounts and verify satisfactory completion of reasonable efforts during the notification and application period. A waiver is not considered reasonable efforts. Obtaining a signed waiver that an individual does not wish to apply for FAP assistance or receive FAP application information will not meet the requirement to make "reasonable efforts" to determine whether the individual is FAP-eligible before engaging in ECAs. All outside collection agencies must comply with state and federal laws, comply with the association of credit and collection professional's code of ethics and professional responsibility and comply with SSM Health St. Mary's Hospital - Centralia's collection and financial assistance policies.

Schedule H, Part VI, Line 2 Needs assessment	<p>SSM Health (SSMH) participates in Community Benefit according to our vision, Through our participation in the healing ministry of Jesus Christ, communities, especially those that are economically, physically, and socially marginalized, will experience improved health in mind, body, spirit and environment. In the tradition of our founders, the Franciscan Sisters of Mary, caring for those in greatest need remains our organizational priority. Today our System Board monitors Community Benefit efforts, and views achievement of our vision as a primary responsibility. The purpose of SSMH's Community Benefit program is to assess and address community health needs. Making our communities healthier in measurable ways is always our goal. To fulfill this commitment, SSMH's Community Benefit is divided into two parts: 1) Community Health Needs Assessment (CHNA), and 2) Community Benefit Inventory for Social Accountability (CBISA). The CHNA is an assessment and prioritization of community health needs and the adoption and implementation of strategies to address those needs. A CHNA is conducted every three years by each hospital according to the following steps: * Assess and prioritize community health needs: Gather CHNA data from secondary sources; obtain input from stakeholders representing the broad interests of the community through interviews and focus groups; use data to select top health priorities; and complete written CHNA. * Develop, adopt, and implement strategies to address top-health priorities: Establish strategies to address priorities; complete Strategic Implementation Plan; obtain Regional/Divisional Board approval; and integrate strategies into operational plan. * Make CHNA widely available to the public: Publish CHNA and summary document on hospital's website. * Monitor, track, and report progress on top health priorities: Collect data and evaluate progress; report to Regional/Divisional Board every six months and System Board every year; share findings with community stakeholders; and send results to finance for submission to the Internal Revenue Service (IRS). System Office staff and leaders oversee and monitor SSMH's Community Benefit Program, and ensure reporting is in compliance with IRS regulations. In collaboration with community stakeholders and partner organizations, SSM Health Care Corporation also identifies needs based on assessments and research, and SSMH facilities also involve case managers and care team staff to pinpoint critical health issues in the community. All hospital CHNAs are completed, approved, and integrated into the organization's strategic plan. We continue to monitor and assess the progress of our local efforts in the spirit of caring for others and improving community health.</p>
