Community members come together to organize youth service day events to help teach high school students the importance of leadership, teamwork and leaving a lasting impression on their community. Students and teachers volunteered their time to clean, paint, plant and prune during the annual Spring Into Service event. The VITA program assists Saginaw County residents who cannot afford to pay to have their taxes prepared.

STEM AmeriCorps is designed to increase academic engagement in the STEM (Science, Technology, Engineering and Math) subjects with the goal that as students progress through their educational careers they will choose to pursue a career in these fields. Through this AmeriCorps program, nonprofit agencies are able to leverage dollars and share resources as AmeriCorps members help foster collaboration and shared outcomes. Labor volunteers and community members come together to design, construct and install mobility ramps for low-income, disabled residents in Saginaw County through Project Independence. Literally freeing residents from their homes, this program gives residents more than just a free ramp. In many cases it also gives them back their independence. Helping students read at grade level or higher, the Lexia literacy program is facilitated through United Way and hosted at several locations throughout the community. Children, ages birth to 5, receive age-appropriate books free through the Imagination Library program. The program promotes access to key literacy skills and supports a readiness for learning.
