An individual can take a distribution from the plan at (1) age 65 or older if the individual is still employed by SSMH or (2) age 55 or older if the individual is no longer employed by SSMH. Form 990, Part III, Line 4a Program Service Accomplishments	<p>Since it was founded in 1872 by Catholic sisters, SSM Health (SSMH) has existed to meet the health needs of the communities it serves. SSMH is a Catholic, not-for-profit health system serving the comprehensive health needs of communities across the Midwest through one of the largest integrated delivery systems in the nation. With care delivery sites in Illinois, Missouri, Oklahoma, and Wisconsin, SSMH includes 23 acute care hospitals, one children's hospital, more than 300 physician offices and other outpatient and virtual care services, 10 post-acute facilities, comprehensive home care and hospice services, a pharmacy benefit company, a health insurance company, and an Accountable Care Organization. The health system employs nearly 40,000 people and is affiliated with 11,000 physicians making it one of the largest employers in every community it serves. In the tradition of its founding sisters, SSMH strives to fulfill its mission by providing exceptional health care to every one who comes to its hospitals, regardless of their ability to pay. SSM Health Cardinal Glennon Children's Foundation (the Foundation) is an independent, charitable organization fostering philanthropic support for SSM Health Cardinal Glennon Children's Hospital (Cardinal Glennon) in St. Louis, Missouri. Cardinal Glennon is a 195-bed pediatric hospital offering comprehensive medical services, including inpatient and outpatient surgeries using state-of-the-art technology and facilities. With more than 60 medical specialty areas, Cardinal Glennon offers a distributed network of pediatric programs throughout Missouri and Illinois. Since 2013, U.S. News & World Report has recognized Cardinal Glennon as a Best Children's Hospital in multiple specialties. A teaching hospital, Cardinal Glennon is home to the Saint Louis University pediatric residency program and is staffed by SLUCare physicians. The Foundation is entrusted with the task of finding and strengthening relationships with friends and organizations in our surrounding communities and garnering the resources that will sustain our patient services, capital needs and community programs. In keeping with the core values of SSM Health, we are good stewards of our resources, managing all contributions for the maximum benefit of the hospital and the patients and communities we serve. In 2019, the Foundation provided philanthropic support for numerous programs and enhancements at SSM Health Cardinal Glennon Children's Hospital including, but not limited to: Signature Clinical Programs Danis Pediatric Center. Local socioeconomic factors have increased demand for safety-net primary care services. To meet this increased demand, Danis Pediatrics offers complimentary programs and services as well as comprehensive care for all children in need. Because of this, much of the foundation's fundraising efforts for Danis Pediatrics are focused on improving access and convenience for our patients and their families. Cancer Services. These renovations increase patient comfort, safety and satisfaction and provide a family-centered and healing environment for patients and their families. Dallas Heart Center. Philanthropic dollars have supported the growth of this program, which offers coordinated, comprehensive care for children with heart defects. Donor support has enabled the center to add staff, improve its physical space and expand its outreach efforts. Knights of Columbus Developmental Center. Provides multi-disciplinary care for children with autism and other developmental disabilities. Through the support of the Missouri and Illinois Knights of Columbus, in addition to individual donors, the program has added staff in order to serve more children. Research Support and Clinical Excellence Initiatives Donor support helps fund research coordination that allows the hospital to participate in the latest treatments and clinical trials, as well as participation in national and global quality and data-sharing initiatives that improve care and best practices not only for our patients, but for children around the world. These services include palliative care, which provides care coordination and family support for children with complex medical issues; Child Life and Music Therapy, providing education, advocacy and developmentally appropriate interventions to help relieve anxiety and promote coping skills and normalization during a hospital stay; Shining Star School, which supports our patients' academic progress while in our care; and social services, providing case management and short-term assistance for families experiencing financial instability; and Social Services, providing case management and short-term financial assistance for families in crisis. Community Outreach Programs As part of our commitment to the community, the Foundation also supports numerous community outreach and educational programs including but not limited to Reach Out and Read, promoting early literacy through parental education and free books for children in low-income neighborhoods; the SSM Health Cardinal Glennon Safety Program, which educates the community on numerous injury prevention topics including safe sleep, vehicle passenger safety and more, and provides no-cost car seats to families in need.</p>
