DEER CREEK FOUNDATION
2019 FORM 990-PF
PART XV, LINES 2A THROUGH 2D

OBJECTIVES

The Deer Creek Foundation is a private philanthropy interested primarily in two program areas

Program I: The advancement and preservation of the governance of society by rule of the majority, with protection of basic rights as provided by the United States Constitution and Bill of Rights, and in education in its relation to this concept

Program II: Charitable projects that have the potential to enrich the cultural and artistic quality of life in the St. Louis Metropolitan area, and which are of a durable, physical nature

GUIDELINES

Guidelines for Program I*

The Foundation gives priority to the encouragement and support of those projects and programs which show promise of having significant regional and national impact. The one exception is that preference is sometimes given to local projects in St. Louis, Missouri, where the Foundation was established. As a general rule, action programs are favored.

Grants are most often made to organizations and institutions. Their ultimate purpose, however, is to assist individuals and groups of individuals in working toward the solution of problems in the Program I area.

Guidelines for Program Area II*

Grantmaking in this program area is limited to unique projects of exceptional merit of a durable, physical nature, which have the potential to enrich the cultural and artistic quality of life in the St. Louis Metropolitan area, and may entail what heretofore would have been viewed as unusually large grants. Preference may be given to those projects which provide for and place sculpture in the St. Louis Metropolitan Area, and projects which create and/or maintain environments which can be enjoyed by the public in the St. Louis Metropolitan Area.

*The guidelines established by the Foundation's board of trustees normally preclude support for endowment and capital campaigns.

LETTER OF INQUIRY REQUIREMENTS

While the Foundation does not accept unsolicited proposals, it will accept letters of inquiry that meet the requirements set forth below.

For Program I: Applicants should submit a letter of inquiry, not to exceed three pages (not including the required attachments set forth below), which provides (1) a very brief description of the problem the project seeks to address, (2) the objectives of the project, (3) the specific activities planned to achieve those objectives, (4) the qualifications of the organization and its principals to implement the project, including specifics about past accomplishments, and (5) a list of other organizations addressing the same issues. Attachments: (1) project and organizational income and expense budget, (2) existing and projected project support list (with dollar amounts), (3) list of recent organizational contributors (with dollar amounts), (4) Board of Directors list; (5) the organization's tax-status determination letter; and (6) copy of the organization's latest audit or 990.

For Program II: Applicants should submit a letter of inquiry, not to exceed three pages, which summarizes the proposed project and includes: the organization's history, project and organizational income and expense budget, existing and projected project support list (with dollar amounts), list of recent organizational contributors (with dollar amounts), Board of Directors list, the organization's tax-status determination letter; and copy of the organization's latest audit or 990.

DEADLINES

Letters of Inquiry may be submitted any time during the year.

ADDITIONAL INFORMATION

In light of the Foundation's limited resources, many worthy ideas and proposals cannot be funded.

Preference will ordinarily be given to applicants which qualify for exemption under Section 501(c)(3) of the Internal Revenue Code. Public instrumentalities performing similar functions are eligible.
