Name: INFINITE HERO FOUNDATION

Form 990 (2019)

Form 990, Part III, Line 4a:

See Schedule OThe Foundation raises public awareness of its mission, and solicits contributions, at public and charity events and through traditional communications channels as well as through its website (www.infinitehero.org) and the use of social media. The Foundation also works with corporate partners to spread awareness to their consumers and social media followers. From time to time the Foundation also holds charity events, intiially in Southern California. Given the proximity to military installations such as the naval base in San Diego, Camp Pendleton, and the Los Angeles Air Force Base, the Foundation believes this area is an ideal environment in which to raise public awareness of the need to support, and to promote activities designed to support, military personnel.In addition, because the Foundation expects that its name, logo and trade dress (the "IHF Marks") will be associated with its mission statement, the Foundation intends to license the IHF Marks to corporate partners, usually in exchange for a donation to the Foundation of a portion of the proceeds from the sale of such products using the IHF marks.The Foundation is committed to dedicating its resources and property for the beneficial use of charitable causes consistent with its mission statement. The Foundation's program services principally consist of support grants it makes to specially selected nonprofit organizations to fund programs that directly benefit our military heroes and their families and to promote the development of innovative rehabilitative programs and therapies. Since its inception, the Foundation has made grants totaling \$3,647,048 in furtherance of its mission.In 2014, the Foundation conducted the Veterans Innovation Summit for Investing and Technology (VISIT) to propel innovation, accessibility and collaboration among organizations combating the most critical issues facing the returning military community. The event featured prominent panelists and attendees in a dialogue about how to best serve our veterans with cutting-edge technology, novel therapies and progressive thinking.
