Form 990 (2019)

Form 990, Part III, Line 4a:

Research In November 2019, CES conducted a nationwide poll of the early Democratic primary race to examine how polling results look under various alternative voting methods This poll provided an educational opportunity for the public to better understand how alternative voting methods work and how those methods can improve elections

Form 990, Part III, Line 4b:

Public Outreach In 2019, CES expanded it's public outreach on voting methods. Significant investments were made in digital marketing to inform the public about "approval voting" and other methods using Facebook, Twitter, Google Search, and CES email lists. Providing voting method information educates the public and brings awareness to new supporters to implement effective voting methods. In 2019, CES attended and/or exhibited at 12 international and national conferences as well as providing presentations to dozens of stakeholders. In addition, dozens of educational articles and blog posts were published on the CES website and other media platforms.

Form 990, Part III, Line 4c:

Voting Method Advancement In 2019, CES provided multiple grants to STL Approves, a local organization in St. Louis, to launch a signature-gathering campaign to get "approval voting" on the city ballot. St. Louis citizens were demanding a better method than "vote-splitting" that had been used for decades. It is anticipated that STL Approves will have "approval voting" on the ballot in 2020 that could make St. Louis the second city in the U.S. with "approval voting." A new Director of Campaigns & Advocacy was hired to launch "approval voting" chapter programs in local communities to set the stage for future national educational campaigns.
