Citizens Against Nuclear Bombers 2019* Based in part on that planning and direction from the Board, we embarked on a small campaign in Vermont between February 2019 and June 2019 to test whether or not we could use local basing decisions, combined with the opposition to nuclear weapons, to build popular support for canceling the F35 basing in Burlington. * We recruited over 2,500 Vermonters in four months to sign on in support of our campaign. * We generated dozens of news stories and had at least two major state newspapers (Times Argus and Rutland Herald) editorialize in favor of the campaign. Including op-eds, TV coverage, and print.* We hosted 6 town hall events across the state with audiences ranging from 10 to 200.* We ran a heavy paid media program including billboards, print ads, and digital ads.* We recruited 22 people from across Vermont to join our advisory committee. * We confirmed that there are a large number of people who can be mobilized in opposition to nuclear weapons that are not currently being engaged.

Facts And Circumstances Test

Current Year Facts and Circumstances: Schedule A, Part II, Lines 17a and 17b: People Power Initiatives raised public support for the 2019 calendar year totaling 15.05%, well above the 10% required to allow People Power Initiatives to qualify under the facts and circumstances test. The following facts and circumstances further demonstrate that People Power Initiatives continues to qualify as publicly supported under Section 170(b)(1)(A)(vi) of the Internal Revenue Code. Background: Attraction of public support. People Power Initiative signature program has been the Stamp Stampede, a grassroots public education campaign to inform citizens about the influence of special interest money in campaigns and elections and the impact of voter suppression in local, state, and federal elections. We have always been organized to attract public support on a continuous basis. In 2019 we recruited over 6,400 new members which we define as people who purchase a stamp on our website and from email marketing promotions. In 2019, our gross stamp sales were over \$70,000. Combined with donations from individuals our public support should surpass the necessary threshold, however, because we sell the stamps close to our cost, the net value is insignificant. People Power Initiatives maintains a website for the Stamp Stampede that receives between 5,000 and 10,000 unique visitors per month, we maintain an email list with over 40,000 subscribers, a Twitter account with 34,200 followers, and a Facebook account with 12,920 fans. Through both donations and the sales of online merchandise, People Power Initiatives has always consistently sought, and continues to seek, additional public support. Percentage of public support. 2019 is the sixth year of People Power Initiatives existence. While a significant portion of our funding has always come from a few individuals ,our funding for this program has come from a variety of sources, including members who pay a one-time member fee (the cost of a stamp) to join the organization, that fee comes with a stamp and the members are called stampers. Sources of support. People Power Initiatives support is drawn from small-dollar individual donors, large-dollar individual donors from across the country. Representative governing body. People Power Initiatives deals with issues of national importance and our Board of Directors includes a regionally diverse group of individuals from Vermont, New York, Pennsylvania, Ohio, and California. Public participation in programs. All of People Power Initiatives activities are directed towards the general public and available to a wide audience. These factors, combined with People Power Initiatives continued ability to generate public support exceeding the 10% minimum percentage, demonstrates that People Power Initiatives continues to qualify as a publicly supported charity.
