Form 990, Part III, Line 4a:

Education LIFT Orlando partners with educational organizations in the communities of West Lakes to create a seamless cradle to career educational pipeline. LIFT supports the educational pipeline by serving as a Community Quarterback; engaging community members and coordinating alignment between the community, corporations and best in class not-for-profits, while measuring and evaluating progress toward our shared goals. LIFT supported West Lakes schools by hosting Collective Impact meetings, meetings with school administrators, and serving on the School Advisory Council. LIFT also provided grants for classroom resources, advancing the recruitment of qualified staff, and facilitating donors and relationships that support teacher appreciation, professional development and the enhancement of academic programs throughout the cradle to career educational pipeline. LIFT continued its support of the future West Lakes Early Learning Center by participating in fundraising, community engagement and programmatic partner coordination. LIFT continued to invest in the West Lakes MVP Families program, which supports parents and children as they work towards their academic and life goals. MVP Families connects families to educational opportunities and economic mobility opportunities that they would not otherwise have the opportunity to access and supports parents as they assist their children in meeting developmental milestones.

Form 990, Part III, Line 4b:

ECONOMIC VIABILITY LIFT continued to work on small business engagement, networking events and marketing, business development services as well as the research, data and planning to support this work. Small Business Engagement efforts included the launching of the West Lakes Business District initiative. Eighty businesses in this LMI (plus an additional 115 Orlando area businesses) were served through our Business Breakfasts and Lunch & Learns strengthening social capital, facilitating opportunities and increasing business acumen. These events included speakers from successful local businesses or entrepreneurs who shared their story and business advice. The West Lakes Newsletter, with its 1,300 print and 2,100 email subscribers, continued to serve as a great tool for promoting local businesses through advertising and special features and was distributed six times in 2019. For individuals, The Financial Well-being Center was established in late 2018 and provides those living in the zip code of 32805 with free financial workshops, one-on-one financial coaching, and job placement services. In 2019, 47 individuals engaged in financial coaching and 23 individuals reached their financial goals and completed coaching (others continued the coaching into the following year). 78 individuals also participated in financial workshops that cover topics such as budgeting, savings, investment, taxes, and homeownership. More than 30 individuals were connected to jobs or job training programs and more than 130 individuals received regular financial information via email. The Financial Well-being Center also hosted VITA, the Volunteer Income Tax Assistance Program, and served 115 individuals in helping them complete and file their income taxes for free. Also, as part of LIFTs Economic Viability strategy, there was a large focus on ensuring local, minority business participation in all of the development projects LIFT coordinated, this included partnering to host job fairs and facilitating outreach to local minority contractors and employees.

Form 990, Part III, Line 4c:

Community QB The role of the Community Quarterback (CQ) is to continue to refine the vision for the community in partnership with the residents, secure financial resources and ensure continuous communication and align partners, which is achieved via robust evaluation. The Community Quarterback must also build strong partnerships with public and private stakeholders and investors including local housing authorities and school boards, developers, non-profits, philanthropic individuals and organizations, and elected officials. LIFT Orlando continued and strengthened its role as Community Quarterback by developing/revising Memorandums of Understanding with all partners, increasing communication, and advocating for continued investment and progress for the programs and projects within the community. As a result of LIFT's role, progress was made on multiple renovation and construction projects including the groundbreaking of the Lake Lorna Doone Park renovation, construction completion of the West Lakes Early Learning Center, construction began on the Pendana Senior Residences, and demolition was completed at the site of the future Health & Wellness Center. complete and file their income taxes for free. Return Reference	Explanation
PART X, LINE 2:	LIFT Orlando is a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code and is exempt from state income taxes under similar provisions in the Florida Income Tax Code. LIFT Orlando's wholly owned subsidiaries were incorporated under the Florida Revised Limited Liability Company Act and are considered disregarded entities for federal and state income tax purposes. Therefore, no provision for income taxes has been included in the accompanying consolidated financial statements. During 2018, LOGP elected to be treated as a taxable corporation under provisions of the Internal Revenue Code and the Florida Income Tax Code. LOGP did not have any activity during 2018. Therefore, no provision for income taxes has been included in the accompanying consolidated financial statements. The Organization identifies and evaluates uncertain tax positions, if any, and recognizes the impact of uncertain tax positions for which there is a less than more-likely-than-not probability of the position being upheld when reviewed by the relevant taxing authority. Such positions are deemed to be unrecognized tax benefits and a corresponding liability is established on the statement of financial position. The Organization has not recognized a liability for uncertain tax positions. If there were an unrecognized tax benefit, the Organization would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. The Organization's tax years subject to examination by the Internal Revenue Service generally remain open for three years from the date of filing.

990 Schedule O, Supplemental Information

Return Reference	Explanation
FORM 990, PART III, LINE 4d	Housing (\$123,749) One of LIFT's goals for housing is to ensure the availability of high-quality, mixed-income housing that elevates the standard of living for low-income families, while providing the comfort of quality amenities that attract new residents. To that end, LIFT partnered to develop Pendana, Phase I of LIFT's housing strategy, a mixed-income multifamily apartment community which opened in 2018. LIFT is actively engaged with the management company to ensure desired outcomes in the community. Construction for Phase II, which includes 120 units of affordable senior housing, began in October 2018. As of December 20, 2019, construction was 81% complete. LIFT staff participated in regular meetings with the developer partner to monitor construction of Phase II as well to ensure the continued high quality operation of Phase I. LIFT's Community engagement for Phase II consisted of outreach meetings to hire local contractors and workers, regular updates via West Lakes Partnership quarterly meetings and bi-monthly newsletters, as well as regular updates at MVP Families meetings. LIFT also supports the work of West Lakes Partnership in single-family home renovation. Through grant and government support, two abandoned neighborhood homes were purchased and renovated to increase homeownership opportunities in the community. Part III Line 4e Health & Wellness (\$43,289) LIFT's goal is to collaborate with residents and local nonprofits to create a mix of high-quality facilities, programs, and services that enhance quality of life and increase life expectancy for all, regardless of income. To that end, LIFT has supported residents as they partnered with local government and other partners to fundraise and plan for the revitalization of Lake Lorna Doone Park, which broke ground in 2019. In addition, LIFT has continued to work toward the creation of a Health & Wellness Center. The ideal Center will provide a full suite of patient-centered healthcare services, including primary, preventative care, mental health, pediatrics, maternity services and more. There will be a mix of high-quality facilities, programs, and services that enhance health, quality of life, and increase overall life expectancy. LIFT is coordinating the fundraising, planning, pre-development, and program partnerships for the Health & Wellness Center.
