Much of revenue listed from program services comes from other nonprofit organizations and could be categorized as donations. The \$71,000 is all from other nonprofits to empower their mission more securely. At least half of the training revenue (\$120,000) comes also from other nonprofits in to train their employees to practice security in other countries of the world where they complete their nonprofit work. So, the contribution percentage for Concilium should be about 53% with the other income coming from travel reimbursements or course payments from student participants in our security courses.
