Supplemental Information

Return Reference	Explanation
Part X : FIN48 Footnote	Income TaxesFinancial statement presentation follows the recommendations of ASC 740, Income Taxes. Under ASC 740, FFWD is required to report information regarding its exposure to various tax positions taken by the organization and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold; the second step is measuring a tax position that meets the recognition threshold. Management believes that FFWD has adequately evaluated its current tax positions and has concluded that as of December 31, 2019, FFWD does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary.FFWD has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. This exemption is subject to periodic review by the federal and state taxing authorities and management is confident that the organization continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. FFWD may periodically receive unrelated business income requiring the organization to file separate tax returns under federal and state statutes. Under such conditions, FFWD calculates and accrues the applicable taxes payable.
