Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☒**1** Briefly describe the organization's mission:

To provide comprehensive, empowering, respectful and compassionate care for Uganda's vulnerable children and their families, one life at a time. Our vision is to transform children with stolen futures into tomorrow's leaders. We believe that lasting change is made by loving individuals investing deeply into the life of each child helping them to reach their potential and make an impact on their communities.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 178,816 including grants of \$ 21,830) (Revenue \$)

Child Sponsorship Program: Village2Village Project encircles orphaned and vulnerable children with love, dignity, accountability and hope through a team of caring staff, the child's extended family, and like minded friends. This love is combined with the commitment of a sponsor who provides them with letters of encouragement, nutritious meals, needed medical care and an excellent education. We build relationships with children and families one at a time - seeing them as individuals with the untapped potential to change achievement scores on primary standardized testing in the nation. Village2Village Project has two campuses in different subcounties in Serere, which has a population of 350,000. Our program serves more than 200 children and young adults from preschool through University level, providing social and spiritual mentoring and daily casework support in an effort to transform children with stolen futures into leaders. Village2Village Project also builds the capacity of their guardians to provide and care for them and for the other children in their care. Village2Village Project children do not live in an orphanage. The sponsor, the V2V staff and the extended families who shelter and guide the children are all partners in this care and become a community that changes lives.

4b (Code:) (Expenses \$ 74,506 including grants of \$) (Revenue \$)

Emerging Leaders Program: Students that complete secondary school at the ordinary or advanced level are able to apply for professional or university studies. Caseworkers visit, monitor and support these students, quarterly gatherings are arranged and they have an annual campout. The university students also help with the primary and secondary program during school breaks, and an effort is made to give them projects that relate to their course of study. These students are encouraged also to be involved in a charitable project that serves the wider community. One such project was the design and building of a drainable pit latrine donated to their former primary school that will serve 1,000 students for many years. Graduates from the V2V Program transition to the Alumni Club and they also have a way to be involved in the younger V2V children's development.

4c (Code:) (Expenses \$ 44,704 including grants of \$) (Revenue \$)

HOPE Ministry/Guardian Support Program: Village2Village Project provides essential medical care, nutritional support and counseling for seriously ill parents and grandparents of our sponsored children, and helps more than one thousand children avoid the loss of yet another beloved caregiver. V2V guardians' groups also provide business and agricultural training, group agricultural projects, child care discussions and micro-loans and savings circles that help lift entire families to a more secure level. Guardians meetings are held monthly, and guardians' groups meet autonomously as often as they wish to work on projects. Guardians also receive casework support when they are having difficulty with a child or any other family issue. Home visits are conducted with and without the sponsored child present. In emergency decisions, the staff works with the child's entire clan. For those children with special medical needs, including HIV/AIDS, specialists are accessed, medication is monitored and every effort is made for the child to live as healthy and normal a life as possible. In times of crisis, such as flood or famine, the organization provides emergency items for the entire family.

Part VI 15a: In order to comply with the IRS requirements for a "reasonable" salary, we apply a minimum of three benchmarks. The first is from Bluewater Non-Profit solutions found online for Executive Director positions and is a salary survey of those in similar positions relative to the size of the organizational budget. The second is from Payscale.com referencing the average salary for the industry, and the third is also from Payscale.com, but is tailored to the specifics of the individual, the organization's size, and the geographic location. Finally, the capacity of the organization is considered.

Part VI 19: Governing documents, conflict-of-interest policy, and financial statements are made available upon request.

Part VII 1d: Village2Village Project began in 2003 as a ministry of First Baptist Church of Bristol VT (EIN: 03-0259885).

A small amount of monthly funding still comes through to V2V through that EIN as we complete our transition as an independent entity.
