Software ID: 19009572

Software Version: v1.00

Explanation: Budget did not permit bookkeeping or accounting help. Management intended to complete needed work in time for deadline, but underestimated time required as well as the time needs of competing necessary responsibilities during the final weeks before the deadline. Strains relating to the pandemic situation contributed to this short lateness as well. Please note that last year we filed our return in January. This demonstrates our good intentions with regard to reporting and timeliness.
