990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I Line 3c	Summersville Regional Medical Center SRMC uses 200 Federal Poverty Guideline FPG to determine free care eligibility. However, WVUH does not offer discounted care to individuals who fail the 200 FPG test.
Part I Line 6a	SRMCs community benefit numbers are reported in total with the other hospitals within West Virginia United Health System. The most recent amounts can be found in the WVU Medicine Annual Report available at the following web address https://wvumedicine.org/wp-content/uploads/2018/07/WVU-Medicine-Annual-Report-2017.pdf

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I Line 7	Total community benefit expense for 2019 is 11,420,819 and is 50.82 of total net expenses. To calculate net expense, bad debt of 2,216,367 was deducted from total expenses of 24,691,357 as shown in Part IX line 25 of the core Form 990, for a net expense of 22,474,990.
Part I Line 7	Worksheet 2 from the IRS Schedule H instructions was used to derive the Cost-to-Charge ratio, which was used to calculate Charity Care, Unreimbursed Medicaid and other means-tested government programs at cost.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III Line 2	Bad Debt Expense at cost was calculated by multiplying bad debt expense of 2,216,367 by our cost to charge ratio of 50.22 derived from Worksheet 2 in the IRS Schedule H instructions for a total of 1,113,060 less DSH allocations to self-pay patient accounts of 36,120 for a total of 1,076,940.
Part III Line 3	Estimated bad debt attributable to patients eligible for charity care was calculated by running a report within our patient revenue software of all bad debt account balances greater than 5,000. The total of that report was 1,022,405 which we then multiplied by our cost to charge ratio of 50.22 for a total of 513,452.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III Line 3	The estimated bad debt attributable to patients eligible for charity care of 513,452 should be considered community benefit due to the fact that anyone with outstanding balances of 5,000 or greater usually qualifies as catastrophic if the patient completes the application process.
Part III Line 3	In our charity care policy, we define catastrophic care as any illness or injury that will likely require continuous or frequent treatment for more than one year. Regardless, that bad debt should be considered community benefit as we provide services to those in need regardless of their ability to pay.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III Line 4	West Virginia Health Care Cooperative, doing business as, Summersville Regional Medical Center financial statements are prepared on a consolidated basis as a member of the WV United Health System. The footnote for Accounts Receivable is as follows Patient accounts receivable are reported at net realizable value. For accounts receivable associated with services provided to patients who have third-party coverage, the System estimates net realizable value based on the estimated contractual reimbursement percentage, which in turn is based on current contract provisions and historical paid claims by payor. For self-pay accounts, including uninsured and patient responsibility accounts, the net realizable value is determined using historical collection experience, adjusted for estimated conversions of patient responsibility portions, expected recoveries and changes in trends to estimate implicit price concessions. Management continually reviews the estimated net realizable value of accounts receivable by monitoring cash collections, economic conditions and trends, changes in payor mix, changes in federal or state healthcare coverage and other matters. The System grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payor agreements, primarily with Medicare, Medicaid and various commercial insurance companies. The System records accounts receivable net of estimated price concessions and such amounts have historically been within managements expectations. The mix of accounts receivable at December 31, 2019 from patients and third-party payors is as follows Medicare - 27, Medicaid - 17, Blue Cross - 24, Commercial, managed care and other - 26, Patients -6, totaling 100.
Part III Line 4	For receivables associated with self-pay patients, which includes both patients without insurance and insured patients with deductible and copayment balances, the System records a significant provision for bad debts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the billed rates and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III Line 8	The amount reported in Part III Line 6 17,113,456 was calculated using the total Medicare allowable cost from the Medicare cost report, less Medicare reimbursement of direct GME.
Part III Line 8	SRMCs shortfall, 8,454,255 of Medicare program reimbursement should be considered a community benefit because we are relieving a government burden by providing care in excess of our costs to these patients.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III Line 9b	SRMC does have a debt collection policy. When a patient has been approved for financial assistance under our charity care policy, they will not be sent to bad debt. Additionally, if a patient is being evaluated for charity, the patient will not be sent to bad debt agency pending charity guarantor status until the pending status has been finalized approved/denied. All other patients with outstanding balances will be processed through billing and collections pursuant to our Financial Policy.
