Schedule A, Part IV, Section B, Line 2:	<p>AHSSHC was organized in 1981 to serve as the parent of a healthcare system that would own, operate, and manage hospitals previously operated by the Southern Union Conference of the North American Division of the General Conference of Seventh-Day Adventists. Thereafter, AHSSHC acquired hospitals operated by the Southwestern, Lake Union and Mid-America Union Conferences of the General Conference of Seventh-Day Adventists. AHSSHC is the parent organization to a number of subsidiaries. These subsidiaries operate hospitals, nursing homes, and provide various other healthcare services. All of the hospital and nursing home subsidiaries of AHSSHC are IRC Section 501(c)(3) organizations. AHSSHC provides executive leadership and professional support services to its subsidiary organizations. Professional support services include among others IT, corporate compliance, legal, reimbursement, risk management, and tax as well as treasury functions. Certain support services, such as human resources, payroll, A/P, and supply chain management are provided pursuant to a shared services model by AHSSHC to its subsidiary organizations. Article II of the Restated Articles of Incorporation of AHSSHC set forth the purposes of the organization. Specifically, paragraph 1 of the Article states the following: "In furtherance of its charitable purposes, the Corporation shall operate to further the health ministry of the Seventh-day Adventist Church in such ways as the Board of Directors shall determine in its discretion, and specifically to provide management, consulting, and related services to educational institutions and health care facilities (e.g., hospitals, skilled nursing, home health, hospice, physician clinics, etc.) owned and operated by organizations affiliated with the Corporation and that are located within the geographic areas of the United States served by the Southern Union Conference of Seventh-day Adventists, the Southwestern Union Conference of Seventh-day Adventists, Lake Union Conference of Seventh-day Adventists, Mid-America Union Conference of Seventh-day Adventists and such other locations as may be approved by the Board of Directors or the Executive Board of the Corporation." These stated purposes demonstrate that AHSSHC was established to carry out the health ministry of the Seventh-day Adventist Church and that its policies, programs, and activities will be conducted in accordance with the health mission of the Seventh-day Adventist Church. Section 3, Article III of the Bylaws of AHSSHC states that its business and affairs will be controlled by its Board of Directors. Section 4, Article III of the Bylaws provides that the membership of AHSSHC shall elect its Board of Directors. Certain members of the Board of Directors serve in these positions by virtue of their employment with the various union conferences or state/multi-state Conferences of the General Conference (Article III, Section 5 of the Bylaws). The necessary qualifications of Directors are</p>

**990 Schedule A, Supplemental Information**

Return Reference	Explanation
Schedule A, Part IV, Section B, Line 2:	<p>e set forth in Article III, Section 6 of the Bylaws. The union, state, and multi-state conferences of the General Conference are unincorporated associations that serve as regional/ state/multi-state ecclesiastical leaders who provide theological and administrative support to organizations controlled and/or affiliated with the Seventh-day Adventist Church. The membership of AHSSHC is described in Article II, Section 1 of the Bylaws. The membership is composed of those individuals who sit on the Executive Committees of the Southern Union Conference of Seventh-day Adventists, the Southwestern Union Conference of Seventh-day Adventists, the Lake Union Conference of Seventh-day Adventists, the Mid-America Union Conference of Seventh-day Adventists and AHSSHC's Board of Directors. An individual holding membership privileges by virtue of his election as a member of one of the above-named Union Conferences or as a member of the Board of Directors of AHSSHC retains his membership privileges only so long as he remains a member of his respective Union Conference Executive Committee or as a member of the Board of Directors of AHSSHC. Each member has one vote (see Section 2, Article II of the Bylaws) and questions put before the members are determined by majority vote (see Section 6, Article II of the Bylaws). As noted above, the Board of Directors of AHSSHC is elected by the members of AHSSHC. The majority of the members of AHSSHC are elected officials of the above-named Union Conferences of the General Conference. Accordingly, the Directors of AHSSHC will always be elected by members who serve as members by virtue of their elected position of one of the Seventh-day Adventist Church Union Conferences. Further, the majority of the individuals who serve on the Board of Directors of AHSSHC serve by virtue of their employment positions with the relevant Union Conference/State/Multi-State Conference of the General Conference. Therefore, a majority of the Board of Directors of AHSSHC is composed of individuals serving in their official capacity as representatives of the General Conference of Seventh-day Adventists. As noted above, AHSSHC performs support functions and provides executive leadership for the benefit of its various publicly supported organizations within the meaning of IRC 509(a)(3)(A). The formation of the predecessor of AHSSHC was authorized by the General Conference of Seventh-day Adventists to perform these support functions in pursuit of the health ministry of the Seventh-day Adventist Church. Accordingly, the purposes of the General Conference are carried out by AHSSHC through its support to its subsidiary organizations that own and operate hospitals and nursing homes.</p>

Return Reference	Explanation
Part X, Line 2:	<p>The filing organization is a subsidiary organization within AdventHealth. The consolidated financial statements of AdventHealth contain the following FIN 48 (ASC 740) footnote: Please note that dollar amounts are in thousands. Healthcare Corporation and its affiliated organizations, other than North American Health Services, Inc. and its subsidiary (NAHS), are exempt from state and federal income taxes. Accordingly, Healthcare Corporation and its tax-exempt affiliates are not subject to federal, state or local income taxes except for any net unrelated business taxable income. NAHS is a wholly owned, for-profit subsidiary of Healthcare Corporation. NAHS and its subsidiary are subject to federal and state income taxes. NAHS files a consolidated federal income tax return and, where appropriate, consolidated state income tax returns. All taxable income was fully offset by net operating loss carryforwards for federal income tax purposes; as such, there is no provision for current federal or state income tax for the years ended December 31, 2019 and 2018. NAHS also has temporary deductible differences of approximately \$46,500 and \$53,000 at December 31, 2019 and 2018, respectively, primarily as a result of net operating loss carryforwards. At December 31, 2019, NAHS had net operating loss carryforwards of approximately \$47,500, expiring beginning in 2022 through 2026. Deferred taxes have been provided for these amounts, resulting in a net deferred tax asset of approximately \$11,400 and \$13,400 at December 31, 2019 and 2018, respectively. NAHS remeasured its deferred tax assets and liabilities based on the rates at which they are expected to reverse in the future, which is generally 21%. A full valuation allowance has been provided at December 31, 2019 and 2018 to offset the deferred tax asset, since Healthcare Corporation has determined that it is more likely than not that the benefit of the net operating loss carryforwards will not be realized in future years. The Income Taxes Topic of the ASC (ASC 740) prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC 740 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken, or expected to be taken, in a tax return. There were no material uncertain tax positions as of December 31, 2019 and 2018. On December 22, 2017, the United States enacted tax reform legislation commonly known as the Tax Cuts and Jobs Act (Act), resulting in significant modifications to existing law. Certain provisions impact tax-exempt organizations, including revisions to taxes on unrelated business activities, excise taxes on compensation of certain employees, and various other provisions. While final regulations on these provisions have not yet been promulgated, the impact of these provisions on the consolidated financial statements is not expected to be significant.</p>

The U.S. organizations sponsoring the health-related mission trips are often related organizations that are exempt from Federal Income Tax under 501(c)(3) or other 501(c)(3) organizations that are a part of the group exemption ruling issued to the General Conference of Seventh-Day Adventists. Accordingly, the filing organization has not established specific procedures for monitoring the use of grant funds outside the United States as the filing organization does not have a grant making program that would necessitate such procedures and is generally making an indirect foreign grant through another U.S. charitable organization.

Return Reference	Explanation
Part I, Line 1a	<p>The filing organization is the top-tier parent of a system of healthcare organizations known as AdventHealth. Members of the filing organization's executive management team that hold the position of Vice-President or above (including those who provide services at the filing organization and those who perform executive management services at AdventHealth subsidiary organizations) are compensated by and on the payroll of the filing organization. First-class or charter travel: Pursuant to the AdventHealth system-wide general policy regarding business travel, no reimbursement will be provided for any additional cost incurred with respect to first-class or charter air travel beyond the cost of a regular coach airfare. As a means of providing additional business travel reimbursement for those members of the AHSSHC senior executive management team that travel frequently on behalf of AdventHealth, a special annual travel allowance is provided for those executives. As AdventHealth operates 47 hospitals in 9 states, the senior leadership of AHSSHC travel extensively and often visit multiple hospital locations in different states as a part of a single business trip. The special travel allowance can provide reimbursements to the executive for such items as the purchase of air travel upgrade coupons, to cover the cost differential between coach and first-class travel, or to cover the cost of a charter flight. The special travel allowance benefit was originally authorized by and codified into a policy by the AHSSHC Board Compensation Committee (the Committee), an independent body of the AHSSHC Board of Directors, who also approves the annual cap on the amount of the allowance. The special travel allowance has an annual cap of \$24,000 for members of the Leadership Executive Team (AdventHealth Cabinet - 13 members) and \$15,000 for AdventHealth Corporate Office Senior Vice Presidents, Regional CEO's and Division Chief Officers (generally 20-30 individual executives). A quarterly report on charter travel is provided to the AHSSHC Board Compensation Committee. Those executives who receive the special travel allowance are responsible for tracking the expenses reimbursable under the special travel allowance and must submit such expenses on their accountable plan expense report. Any taxable reimbursements made to executives under the special travel allowance arrangement are treated as taxable compensation to the executive. Travel for companions: AHSSHC has a Corporate Executive Policy that provides a benefit to allow for a traveling AHSSHC executive to have his or her spouse accompany the executive on certain business trips each year. Typically, reimbursement is only provided to certain executive leaders and is usually limited to one business trip per year beyond the annual AdventHealth President's Council business meeting and other meetings where the spouse is specifically invited. The AHSSHC Corporate Executive Spousal Travel Policy was originally approved and reviewed by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors. All spousal travel costs reimbursed to the executive are considered taxable compensation to the executive. Tax Indemnification and gross-up payments: AdventHealth has a system-wide policy addressing gross-up payments provided in connection with employer-provided benefits/other taxable items. Under the policy, certain taxable business-related reimbursements (i.e. taxable business-related moving expenses, taxable items provided in connection with employment) provided to any employee may be grossed-up at a 25% rate upon approval of the filing organization's CEO and CFO. Additionally, employees at the Director level and above are eligible for gross-up payments on gifts received for board of director services. Discretionary spending account: Nominal discretionary spending amounts are periodically provided to eligible executives who attend annual business meetings such as the AdventHealth CFO Conference or the CMO/CNO business meeting (\$300 or less per executive). Payments provided to each executive are considered taxable compensation to the executive. Health or social club dues or initiation fees: AHSSHC has a Corporate Executive Policy that addresses business development expenditures. Under this policy, certain AdventHealth eligible executives may be reimbursed for member dues and usage charges for a country club or other social club upon authorization. Club memberships must be recommended by the CEO of the AdventHealth hospital organization and approved by the Chairman of the Board of Directors of the organization. In addition, the proposed membership must be approved annually by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Eligible executives are limited to certain senior level executives (hospital organization CEOs, the CEO of the nursing home region of AdventHealth, senior vice presidents at three large hospital organizations, regional CEOs and CFOs and the president and senior vice presidents of AHSSHC). In the current year, for this filing organization, two executives were eligible to receive reimbursement for club fees. Each AdventHealth executive who is approved for a club membership must submit an annual report to the AHSSHC Board Compensation Committee that describes how the membership benefited their organization during the preceding year.</p>
Part I, Line 3	<p>Please see the discussion concerning the process followed by the filing organization in determining executive compensation in our response to Part VI, Section B, Line 15a and b.</p>
Part I, Line 4b	<p>Executive Plan In recognition of the contribution that each executive makes to the success of AdventHealth, AdventHealth provides to eligible executives participation in the AdventHealth Executive FLEX Benefit Program (the Plan). The purpose of the Plan is to offer eligible executives an opportunity to elect from among a variety of supplemental benefits, including a split dollar life insurance policy and long-term care insurance, to individually tailor a benefits program appropriate to each executive's needs. The Plan provides eligible participants a pre-determined benefits allowance credit that is equal to a percentage of the executive's base pay from which is deducted the cost of mandatory and elective employee benefits. The pre-determined benefits allowance credit percentage is approved by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Any funds that remain after the cost of mandatory and elective benefits are subtracted from the annual pre-determined benefits allowance are contributed, at the employee's option, to either an IRC 457 (f) deferred compensation account or to an IRC 457(b) eligible deferred compensation plan. Upon attainment of age 65, all previous 457(f) deferred amounts are paid immediately to the participant and any future employer contributions are made quarterly from the Plan directly to the participant. The Plan documents define an employee who is eligible to participate in the Plan to generally include the Chief Executive Officers of AdventHealth entities and Vice Presidents of all AdventHealth entities whose base salary is at least \$260,000. The Plan provides for a class year vesting schedule (2 years for each class year) with respect to amounts accumulated in the executive's 457(f) deferred compensation account. Distributions could also be made from the executive's 457(f) deferred compensation account upon attainment of age 65 or upon an involuntary separation. The account is forfeited by the executive upon a voluntary separation. In addition to the Plan, AdventHealth has instituted a defined benefit, non-tax-qualified deferred compensation plan for certain executives who have provided lengthy service to AdventHealth and/or to other Seventh-day Adventist Church hospitals or health care institutions. Participation in the plan is offered to AdventHealth executives on a pro-rata schedule beginning with 20 years of service as an employee of AdventHealth and/or another hospital or health care institution controlled by the Seventh-day Adventist Church and who satisfy certain other qualifying criteria. This supplemental executive retirement plan (SERP) was designed to provide eligible executives with the economic equivalent of an annual income beginning at normal retirement age equal to 60% of the average of the participant's three, five or seven highest years of base salary from AdventHealth active employment inclusive of income from all other Seventh-day Adventist Church healthcare employer-financed retirement income sources and investment income earned on those contributions through social security normal retirement age as defined in the plan. The number of years included in highest average compensation is determined by the individual's year of entry to the SERP and by the individual's year of entry to the AdventHealth Executive FLEX Benefit Program. Additionally, AdventHealth has adopted a Senior Executive Death Benefit (SEDB) Plan in recognition of the considerable age and service requirements in the SERP. The SEDB Plan provides a benefit in an amount equal to the amount the executive's benefit would have been under the SERP Plan assuming that, on the date of the executive's death (and not before), the executive satisfied the last of the eligibility requirements of the SERP Plan with present value recognizing an early benefit commencement. An eligible executive becomes a participant in the SEDB Plan if the executive dies prior to termination of employment, provided the executive has not satisfied all of the eligibility requirements of SERP as of the executive's date of death but would have satisfied all of those requirements within five (5) years following death had the executive lived and continued employment. The SEDB Plan was reviewed and approved by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors. **990 Schedule O, Supplemental Information**

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>Compensation and benefits provided to Adventist Health System Sunbelt Healthcare Corporation's (AHSSHC) CEO, CFO, other executive management and key employees are determined pursuant to policies, procedures, and processes that are designed to ensure compliance with the intermediate sanctions laws as set forth in IRC Section 4958. AHSSHC has taken steps to ensure that processes are in place to satisfy the rebuttable presumption of reasonableness standard as set forth in Treasury Regulation 53.4958-6 with respect to its active executive-level positions. The AHSSHC Board Compensation Committee (the Committee) serves as the governing body for all executive compensation matters. The Committee is composed of certain members of the Board of Directors (the Board) of AHSSHC. Voting members of the Committee include only individuals who serve on the Board as independent representatives of the community, who hold no employment positions with AHSSHC and who do not have relationships with any of the individuals whose compensation is under their review that impacts their best independent judgment as fiduciaries of AHSSHC. The Committee's role is to review and approve all components of the executive compensation plan of AHSSHC. As an independent governing body with respect to executive compensation, it should be noted that the Committee will often confer in executive sessions on matters of compensation policy and policy changes. In such executive sessions, no members of management of AHSSHC are present. The Committee is advised by an independent third-party compensation advisor. This advisor prepares all the benchmark studies for the Committee. Compensation levels are benchmarked with a national peer group of other not-for-profit healthcare systems and hospitals of similar size and complexity to AdventHealth and each of its affiliated entities. The following principles guide the establishment of individual executive compensation: - The salary of the President/CEO of AdventHealth will not exceed the 50th percentile of comparable salaries paid by similarly situated organizations; and - Other executive salaries shall be established using market medians. The compensation philosophy, policies, and practices of AHSSHC are consistent with the organization's faith-based mission and conform to applicable laws, regulations, and business practices. As a faith-based organization sponsored by the Seventh-day Adventist Church (the Church), AHSSHC's philosophy and principles with respect to its executive compensation practices reflect the conservative approach of the Church's mission of service and were developed in counsel with the Church's leadership.</p>
