Part V, Line 4: Intended uses of the endowment fund.	During 2019, the Board of Directors designated a portion of its cash and investments as board-designated endowment funds, which are resources set aside by the Board of Directors for an indeterminate period to operate in a manner similar to a donor-restricted perpetual endowment. Because a board-designated endowment results from an internal designation, it can be spent upon action of the Board of Directors. Board-designated endowment funds also include investments purchased with unspent investment income and net gains on these resources. These endowment investments are reported at fair value with changes to fair value reported as investment return in the Statements of Activities. Purchases and sales of investments are reported on the trade date. The net asset composition of the board-designated endowment funds as of December 31, 2019, are as follows: Operations - \$10,049,390 Professional Development - \$25,123,475 Procurement Certification - \$10,049,390 Public Procurement - \$22,108,658 Legal Defense - \$5,024,696
