<p>SCHEDULE H, PART VI, LINE 5</p>	<p>PROMOTION OF COMMUNITY HEALTH: Hill Country Memorial Hospitals vision is to Empower others, Create Healthy. Encouraging wellness is an investment in our communities health. We empower others by holding Educational/Community Events. In 2019 we provided active living-health eating education at schools and youth centers with a goal to give the youth a head start on a healthy life. Health Fairs were also provided at area schools. To help prevent, manage, and reverse chronic disease HCMH sponsored a plant based diet community talk. HCMH sponsors the HealthyU Program which targets the low income population of Gillespie County, ages 21-55 who are at risk for hypertension, to provide a free health screening program, education and wellness services. HCMH also provided adult mental health first aid training. HCM encourages outdoor physical activity by yearly sponsoring the Wildflower Run for those who want to walk or run 5k/10k. HCMH provided no-cost screenings for cardiac risk assessment, skin cancer screenings, polypharmacy screenings, SCORE heart screening for teens, injury screening for adults, and sports injury clinics for student athletes for the area. The organization has the largest volunteer base in Fredericksburg. Employees served in leadership roles for many community organizations. HCM also collaborates with city and county officials to prepare for emergency scenarios. HCM invites city and county emergency officials to participate in mock emergency situations to prepare for an actual, likely emergency based on the geographic proximity of the hospital, such as a tornado or major chemical spill. HCMs purpose is to serve and partner with others to create healthy communities for generations to come. The organization does this by having an open medical staff and a community board. HCM also provides millions of dollars of charity care each year. As a not-for-profit health care organization, our earnings are invested back into the organization for improvements in the facilities, technology and those who deliver care. In 2019, HCM invested in new equipment for Cardiac Rehab, GI equipment, beds for hospice patients, pediatric equipment for hospice, and a savi scout. The birthing center received an extensive renovation and addition of four LBRP suites equipped with hydrotherapy tubs for prelabor comfort, two dedicated antepartum rooms, and a second nurses station all to provide new families with the very best birthing experience.
