Part X : FIN48 Footnote	The Council and the Foundation each are exempt from Federal income taxes under Section 501 (a)as described under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization is classified as a public charity. The Council currently has unrelated business income. The amount of the income tax expense is not material to the consolidated financial statements as a whole and is therefore included in management and general supporting services on the consolidated statement of functional expenses. The Organization assesses whether it is more likely than not that a tax position will be sustained upon examination of the technical merits or the position, assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of the tax position is not recognized in the financial statements. The Organization recorded no assets or liabilities for uncertain tax positions or unrecognized tax benefits. Federal returns for the years ended 2015 and thereafter remain subject to examination by the Internal Revenue Service.
