Footnote for uncertain tax position under FIN 48 (Part X)	ACLP follows the Financial Accounting Standards Board Accounting Standards Codification, which provides guidance on accounting for uncertainty in income taxes recognized in ACLPs consolidated financial statements, if any. At year end, ACLP had no unrecognized tax benefits related to uncertain tax positions in its information return that would qualify for either recognition or disclosure in its consolidated financial statements. ACLPs policy would be to recognize interest and penalties on tax positions related to its unrecognized tax benefits in income tax expense in the consolidated financial statements. Through year end, there have been no matters that would have resulted in an accrual for interest and/or penalties.
