990 Schedule A, Supplemental Information

Return Reference	Explanation
Part V, Section D, Line 8: Distributions To Attentive Supported Organizations	All of the organization's distributions are made to support the Boys & Girls Club of Wichita Falls. Considering the decades long relationship between the organization and its supported organization, the amount of support received by the supported organization is a sufficient part of its overall long-term support to ensure attentiveness. There is board overlap between the organizations, and the officers and directors of each organization maintain a close working relationship.

990 Schedule A, Supplemental Information

Return Reference	Explanation
Part V, Section E, Line 6: Current Year Remaining Underdistributions Exception	The organization planned to prepare and file its 2019 Form 990 in May of 2020, but was delayed due to complications related to the COVID-19 pandemic, filing an extension of time to file until November 16, 2020. When planning its budget for 2019, the organization misinterpreted Part V of its 2018 Form 990 Schedule A, believing that the 2019 distribution requirement had been met and that there were excess distributions. Unlike Form 990-PF, Section E of Schedule A does not display an amount which must be distributed by the end of the following tax year to avoid an under-distribution. The organization simply misunderstood the distribution calculation, causing the under-distribution. The error was due to reasonable cause and not to willful neglect. The organization's paid tax preparer discovered the under-distribution on November 1, 2020 when preparing the 2019 Form 990. The organization took immediate steps to correct the error by making a grant to its supported organization, Boys and Girls Club of Wichita Falls in the amount of \$640,707 on November 4, 2020. The organization has discussed the distribution requirement calculation in detail with its tax advisors and is preparing to make an additional grant to its supported organization before the end of its 2020 tax year to ensure compliance with its 2020 distribution requirement.
