Statement 10 – Part XV

2 – Because of the volatile nature of oil and gas royalty payments to the Trust, the Trustees decided in late 2015 to no longer accept unsolicited requests for funds and to make contributions to preselected charitable organizations. We have so indicated in response to this question. Scholarships granted to individuals through 2015 were granted using the information provided in 2b, 2c, and 2d below. These scholarships will be honored.

2b – Attached to this supporting schedule are our eligibility requirements, and our scholarship application form which lists the required submission information. Not applicable to 2015 and future years.

2c – Our submission deadline is March 31st of each year. Not applicable to 2015 and future years

2d – The Trust limits its scholarship grants to no more than 5 students per year and concentrates on the graduating seniors at two East Dallas High Schools (Woodrow Wilson and Emmett J Conrad). We coordinate with the respective counseling offices, asking them to submit candidates each year if we notify them funds are available. We also consider other qualified applications sponsored by members of the Skillman church depending on the availability of funds. These are Financial Need based Scholarships and further require a record of academic excellence and proof of active involvement in a church. Funds are distributed directly to the Universities and we require that the recipient “reapply” each year. Not applicable to 2015 and future years.

3 – The purpose of the disbursements for contributions or scholarships is represented in Statement 5 on page 1 of this supporting schedule and reflects the total reported on Line 25, Part 1 of this 990PF.
